) ~~PROPOSED~~ ORDER

) Date: September 13, 2016

) Time: 8:00 a.m.

) Court: Hon. William Alsup

On August 17, 2016, the Court issued an Order stating that it had not yet made a decision whether the complaining witness would be required to testify in the courtroom. Dkt. No. 214. The Court further ordered that if it determined that normal testimony was necessary, the complaining witness would testify in the courtroom with the defendant in another room as described in 18 U.S.C. 3509. *Id.* Defendant Marcel King respectfully maintains his objection to this procedure. Nevertheless, in light of the sensitive nature of the proceedings and the age of the complaining witness, the parties hereby stipulate and agree that in any event if the complaining witness is called to testify in the courtroom, the courtroom may be sealed during the duration of the complaining witness's testimony. The parties further stipulate and agree that the only individuals allowed during the courtroom during the complaining witness's testimony shall be the Court's staff, the defendant (unless excluded by the Court as noted above), defense counsel and any other members of the Federal Public Defender's Office as determined by defense counsel, the probation officer, the complaining witness's guardian, government counsel, the case agent, and any other members of the United States' Attorney's Office as determined by government counsel.

It is further ordered that the individuals allowed to remain in the courtroom during the complaining witness's testimony shall be limited to the Court's staff, the defendant (unless excluded by the Court as noted above), defense counsel and any other members of the Federal Public Defender's Office as determined by defense counsel, the probation officer, the complaining witness's guardian, government counsel, the case agent, and any other members of the United States' Attorney's Office as determined by government counsel.

IT IS SO ORDERED.
